LICENCE: This Licence provides you ("the Licensee") with the non-exclusive right to use the enclosed program. This program can only be used on a single computer and is strictly only for use in conjunction with the EPD unit(s) and Reader unit(s) supplied to you by Thermo Fisher Scientific for the sole purpose of permitting you the Licensee to access data in the EPD unit(s) to demonstrate, test and evaluate the parameters of the said EPD unit(s) only. You may physically transfer the program from one computer to another provided that the program is used on only one computer at a time. You may not electronically transfer the program from one computer to another over a network. You may not distribute copies of the program or documentation to others without the prior written consent of Thermo Fisher Scientific. You may not modify or translate the program or related documentation except as allowed in the Operating Instructions supplied with the program.

BACK-UP: You may make one copy of the program solely for back-up purposes. You must reproduce and include or place on the back-up copy notice of the copyright of Thermo Fisher Scientific in the program. The program, and its related documentation and back-up copy of the program, are or shall on production of the same be and remain the property of Thermo Fisher Scientific.

TRANSFER: You may NOT transfer this product or licence to another party without prior written authority from Thermo Fisher Scientific.

COPYRIGHT: The copyright and any other intellectual property rights in the program and its related documentation are the property of Thermo Fisher Scientific. You may not copy the program or its documentation except for back-up purposes and to load the program into the computer as part of executing the program. The making of any copies (other than the copy of the program permitted under this Licence) of the program and/or its related documentation shall constitute a breach of this agreement.

TERM: This licence is effective until terminated. You may terminate it by destroying the program and documentation and all copies thereof. This licence will also automatically terminate if you fail to comply with any term or condition of this Agreement. Within 7 days of termination date or discontinuance of this Licence for whatever reason, the Licensee shall return or destroy (as Thermo Fisher Scientific shall instruct) the program and back-up copy thereof and related documentation and supply to Thermo Fisher Scientific a certificate certifying the same has been done.

WARRANTIES and DISCLAIMERS: The Licensee understands that computer systems are complex and failure of a system can be due to any one of a number of different reasons, including failure of any hardware or software component, conditions in the environment such as electricity, line failures, and a host of other causes. Thermo Fisher Scientific warrants that it has used its reasonable care and skill in production of the program. However Thermo Fisher Scientific does not warrant the merchantability of the program or that it is fit for any particular purpose or use. Thermo Fisher Scientific shall not be liable to the Licensee for any loss or damage whatsoever or howsoever caused arising directly or indirectly in connection with this Licence, the program, the use thereof its related documentation or otherwise, except for liability which it is unlawful to exclude. Notwithstanding the generality of the foregoing Thermo Fisher Scientific expressly excludes liability for consequential loss or damage which may arise in respect of the program or the use thereof, its related documentation or in respect of other equipment or property, or for loss-of-profit, business, revenue or goodwill.

CONFIDENTIAL INFORMATION: The program and all information, data, related documentation and other matters which Thermo Fisher Scientific may have imparted and may from time to time impart to the Licensee relating to the program and this Licence is proprietary to Thermo Fisher Scientific and confidential. The Licensee hereby agrees that it shall use the same solely in accordance with the provisions of this Licence and it shall not at any time during or after expiry or termination of this Licence, disclose the same, whether directly or indirectly, to any third party without Thermo Fisher Scientific prior written consent.

MODIFICATIONS ETC: The Licensee agrees that it shall not itself or through any agent or third party modify, vary, enhance, copy, sell, lease, licence, sub-licence or otherwise deal with the program (and related documentation) or any variations, modifications, copies, versions or enhancements thereof or have any software or other program written or developed for itself or any other person based on any confidential information supplied by Thermo Fisher Scientific to the Licensee except as allowed in the Operating Instructions supplied with the program.

LICENCE FEE/INDEMNITY: This Licence is granted to the Licensee in consideration of the licensee paying to Thermo Fisher Scientific the licence fee stipulated by Thermo Fisher Scientific and on condition that the Licensee complies with the terms and conditions contained herein. The Licensee shall be expressly liable for and irrevocably undertakes to fully indemnify Thermo Fisher Scientific against any loss, damage, injury, claims, costs and expenses which Thermo Fisher Scientific may incur as a result of the Licensee's failure to comply with the terms and conditions contained in this Licence or arising in connection with the Licensee's use of the program and related documentation.

FORCE MAJEURE: Thermo Fisher Scientific shall not be liable in respect of anything which may constitute a breach of this Licence arising by reason of force majeure circumstances namely circumstances beyond the reasonable control of Thermo Fisher Scientific Thermo Fisher Scientific.

ACKNOWLEDGEMENT: You (the Licensee) acknowledge that you have read this Agreement, understand it, and agree to be bound by its terms and conditions. You also agree that this Agreement is the complete and exclusive statement of agreement between you and Thermo Fisher Scientific and supersedes all proposals or prior agreements, verbal or written, and any other communications between us relating to the subject matter of this Agreement.
